

REPORT OF THE RECONCILIATION COMMITTEE TO GENERAL CENACLE XV

Elected Members: Gary Banks, Peter Krebs, Richard McCann
Alternates: Steve Vesely, Jesús Ramírez

This is a standing committee of the Missionary Servants, elected by the congregation at large.

After the general elections in 2011, the General Custodian contacted me that I was elected and asked me to serve. There was no convener or Council liaison that I know of. The Committee never met. Nothing further was done.

Still pending:

GC XIV – revision and update of the present handbook
Publish periodic reports, reminding the confreres of the nature and availability of the committee.

Respectfully submitted,

Gary Banks, ST
